

How to Upload Your Video (From official YouTube site)

Note: If you are not already an existing user of YouTube™, you must create a free user account before your video submission can be uploaded to the site. Be aware that when you register your YouTube™ account, you will be required to agree to the YouTube™ Terms of Use and the YouTube™ Privacy Policy.

The maximum file size for any video file uploaded to YouTube™ is 100MB. See the YouTube™ User Terms of Use for details about specific formats required.

- 1) Visit <http://www.youtube.com/watch?v=LT5V1922utl>.
- 2) Click "Respond to this video" in the box below the video
- 3) Select the icon "Attach a video" on the right hand side of the box
- 4) Choose "upload a video" from the gray menu bar
- 5) Hit "Start" to begin uploading
- 6) Select "Upload Video", you'll be asked to choose your file, after that double click and your video will upload
- 7) Hit "Subscribe" before exiting the webpage in order to subscribe to the BAGNC channel

For help uploading your video visit <http://help.youtube.com>. YouTube accepts video files from most digital cameras and camcorders, and cell phones in the .AVI, .MOV, .WMV, and .MPG file formats.
